To Whom It May Concern,

I am writing to highly recommend the Maun-Lemke Speaking and Consulting program, run by Clint and Cheryl, that we participated in for 16 weeks. This program was extremely beneficial in helping us recruit nursing staff and CNAs for our organization.

Clint and Cheryl's expertise in recruitment and their innovative approach to finding qualified candidates made a significant impact on our hiring process. Through their program, we were able to attract a larger pool of candidates and ultimately hire 162 staff in 16 weeks by 12 centers to join our team.

Their dedication to understanding our specific needs and tailoring their recruitment strategies to meet those needs was truly impressive. They were always available to provide support and guidance throughout the entire process, and their professionalism and attention to detail were evident in every interaction we had with them.

Overall, the Recruitment Rodeo program as we called it at Champion exceeded our expectations and was instrumental in helping us meet our staffing goals. I would not hesitate to recommend Clint and Cheryl to any organization looking to enhance their recruitment efforts.

Sincerely,

Izzy Weinberg
