Spoke beyond the first row most of the time - we were looking at his back - so ... may not sit in front row seats again.

Excellent Presentation

Speaker does an excellent job of incorporating humor & real-life experience to the presentation. REALLY appreciate re-inforcement that passing the survey = D-

Clint Maun - excellent presenter. Information presented in a manner which makes sense & easy to put to use @ home.

Very Interesting & exciting speaker.

Pushed the envelope sometimes with his "colorful" descriptions (ie Meth labs in our home...wedging up the surveyors..." -itches, Some fun ideas.

Comments to Help the Speaker Improve

Incorporate some ideas for us smaller more rural areas that would love to split the dead wood but then don't have staff & they know it! And Board not not happy with going out on Agency person.

His class was next to perfect. Difficult to imagine a way to improve.
