- He's awesome! Really Great
- Great points, useful; thought provoking; valuable

- Second time I have heard Clint Maun – enjoyed his presentation very much
- Too “in your face” for my taste...but I did learn from him
- Loved the use of humor – bring him back!
- No falling asleep in his presentation. Mr. Maun was all inclusive. Skill applied to all depths – what a hoot, but knew his stuff
- I appreciate the style of communication of Mr. Maun; it was engaging and entertaining, however, I found his language unprofessional and his innuendo and inference mildly offensive

- Enjoyed very much!

- Excellent speaker! Kept the group entertained while getting his agenda across
- Awesome speaker!
- I left with good ideas and can use immediately. Played to the south – almost a bit too much! But overall, great presenter with ideas / views that will/should stretch us!!
- Ability to be funny and put things into perspective would be a great closer
- Great “attention getter” – somewhat offensive with expressions
- Needs to tone down language and sexual references, otherwise was excellent
- Fantastic! Very informative with specific leadership solutions
- Made me look hard at my skills as a leader

- He could have done the whole day
- Exactly what I needed – lots of laughs – great speaker
- Best speaker I've seen
- His language was adult, yes, but vulgar
