Dear Clint,

Thank you for providing the Keynote Address at the Closing Plenary Session of the International Association of Homes and Services for the Ageing (IAHSA) Seventh International Conference in St. Julian's, Malta. We also appreciated your facilitation of the luncheon roundtable discussions. Our delegates greatly benefited from the knowledge and insights that you so generously shared at this meeting.

Overall, evaluations collected throughout the meeting from our delegates have indicated great satisfaction with this year's programme. Specific feedback regarding your participation has been very positive.

Both IAHSA members and staff enjoyed spending time with you and getting to know you and your views a little bit better in Malta. We look forward to future collaborations with you in advancing aged care and the state of the world's older persons.

Once again, thank you for making IAHSA's Seventh International Conference such a great success!

Best wishes!
