Dear Clint:

Thank you so much for your participation in the FHCA & FALA 2004 Annual Conference which was held recently in Boca Raton. We had many comments from attendees that this was one of our best conferences ever, particularly in the area of educational seminars and keynote speeches.

Several of our speakers asked for feedback from their presentations, so I am sending everyone a summary of the evaluations turned in at the conclusion of their presentations. You will note some silly things that don't apply to content or delivery; obviously you'll ignore those. But, there may also be some comments that are constructive and helpful.

Just know that we do appreciate the important role you played in the success of our 2004 Annual Conference – thanks again!

Sincerely,

Cathy C. Westberry, BSN, RN  
Director of Administration

*Clint, couldn't have celebrated our  
50th without you. You were great,  
as always!*
