Dear Clint:

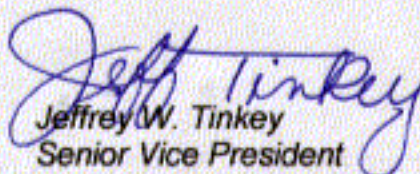

Thank you for the very dynamic presentations at our recent Awards and Recognition Program. Your method of delivery and the message shared had a very positive impact on each of the managers present. I have requested each manager share which ideas they selected from your presentations to try in the communities and what the impacts have been. The initial feedback has been a pleasure to read and reinforce the positive changes in behavior.

Enclosed, for your review, is the feedback and overall ratings from the group. As you can see, they thoroughly enjoyed the presentations and your delivery. You are a tough act to follow!

Thank you for your contributions to our day. Word has spread throughout our Seniors Division regarding your presentations and I am certain you will hear from us regarding future engagements.

I look forward to seeing you again in the near future.

Sincerely,

Jeffrey W. Tinkey
Senior Vice President
