Greg:

All evaluations are in for the WHCA's 54th Annual Fall Convention held recently in Green Bay and there were very positive comments regarding our educational offerings. Using the NAB/NCERS rating with 1 being excellent and 5 being terrible you scored a 1.28 for your session.

Thank you for taking time out of your busy schedule to make these presentations. We look forward to working with you again.

Sincerely,

George W. (Skitch) MacKenzie
