Subject: RE: Invoice from Maun-Lemke Clint Maun Travel Expenses

Dear Kathy,

Hey, THANKS AGAIN for everything you did in helping me get Clint out here. My members absolutely LOVED him, and during his introduction I told the members that we had been working over two years in getting him out here and then during the closing I asked if they thought it had been worth it and they gave him a standing ovation! So, while I'm currently in Denver on my way to Nashville for the national AHCA convention, I will get this invoice paid just as soon as I return!
