*Hi Kathy (and Clint),*

*The MPRS society really enjoyed having Clint for a speaker. Everyone left very motivated and with quite a few “take aways” to use in their communities. We did not do formal evaluation sheets for his presentation (we honestly forgot) but all the feedback that we have gotten has been very positive. He is always an entertaining speaker and everyone learned a lot. The Dunwoody Village board member that attended enjoyed his fast pace and his humor. Our CEO and CFO just liked his entire presentation. We received NO bad comments!*

*Also, thank you so much for the goodies that you sent to me. I really appreciated them and am using them—mug every day—*

*Thanks!*

*Elaine*
