Dear Cheryl:

On behalf of Nebraska Health Care Association, thank you again for presenting your programs on "Abuse Prevention—Educate, Eradicate, Investigate," "Pain—Try It, You Won't Like It," and "Falls: What You Don't Know Hurts!" at the NHCA/NALA Mid-Year Convention on April 23, 2008. Enclosed is a copy of the computer evaluation form utilized for your presentations and a copy of the evaluation summary for each program for your records. All comments are included exactly as they were submitted for their review.

If you have any questions, please give me a call.

Sincerely,

Connie Wagner
