Dear Clint,

I want to thank you for facilitating the 2 workshops at the Leadership Symposium this year. We received many positive comments from the attendees regarding the educational value of your session as well as the manner in which you facilitated it. But then again, I knew you'd be a hit and I am looking forward to your presentation at our Annual Convention!

Copies of all participant evaluations for the workshop are also attached so that you can take written comments into consideration as you prepare for future presentations.
