Dear Cheryl,

On behalf of the Oklahoma Association of Homes and Services for the Aging, I would like to thank you for your participation at the OKAHSA Annual Meeting. We truly appreciate your commitment to the aging services profession. We believe that quality educational experiences play a vital role as we strive to enhance the housing and services available for seniors throughout the state.

The evaluations reflected many positive comments, including:

- Excellent presentation with information that makes some of the most challenging issues seem manageable.
- Easily followed presentation that included very practical and necessary information.
- Plan to implement many of the ideas that were shared.
- Very informative; good speaker; bring her back.

Your information will be a valuable tool as those in attendance work to define the future of aging services.

I truly appreciate the time and expertise you shared. You always do such a great job!

Regards,

Mary Brinkley
