Dear Greg:

On behalf of the South Carolina Health Care Association, I would like to thank you for the "Alligators, Alligators: Everywhere Alligators" program you presented to our membership during our Winter Conference on December 7, 2006. I know your time is valuable and we greatly appreciate your willingness to present this timely information to our membership.

Enclosed is a copy of the evaluation summary from the seminar. As you can see, the program was well received. I have not altered the comments, only putting them in a more readable format. I hope this will be useful to you when planning future sessions.

Once again, thank you for your time and the information you presented. If I can ever be of assistance, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Karen Johnston". The signature is written in a cursive style with a large, flowing "K" and "J".
